**Water Efficiency Resources:** The City's water utility provider, Santa Margarita Water District, offers a variety of tools and resources to reduce water waste in our homes and businesses. Please visit the SMWD [website](#) to learn more about rebate programs, leak detection resources, watering guides, and educational workshops to help conserve water in our community.

**San Juan Summer Nites Concert – July 20:** Join us from 6:00 p.m. to 8:00 p.m. on Wednesday, July 20, for the continuation of the *San Juan Summer Nites* concert series at Historic Town Center Park (31525 El Camino Real). The evening's festivities will include live music provided by Classic Rock group *4X4: Tribute to the Titans of Classic Rock*, business expo vendors, free activities for kids, food trucks and more. Please see the attached flyer for the full concert series lineup and additional event information.

**Fourth of July Celebration and Summer Carnival:** Come celebrate Independence Day at the San Juan Capistrano Sports Park! Gates open at 12:00 p.m. on Monday, July 4, with live music beginning at 1:30 p.m. Enjoy old-fashioned picnic games, food vendors, exhibitors, a beer and wine garden and, of course, spectacular fireworks to close out the festivities at 9:00 p.m. A full-scale carnival complete with over 20 thrill rides for all ages will run from July 1 – July 4. For additional details on ticket prices, wristbands and hours of operation please contact the Community Services Department at (949) 493-5911. Parking is free and the summer trolley has a convenient stop right at the Sports Park, with service hours extended to 10:00 p.m. throughout the festivities. Please see the attached flyer for additional information, including trolley route stops.

**National Mosquito Control Awareness Week (June 19 – 25):** Next week is National Mosquito Control Awareness Week and the Orange County Mosquito and Vector Control District (District) will be launching its "Tip, Toss, Take Action" campaign as well as promoting *Grandmother Mosquito*, a new children's book teaching families about mosquito awareness. A free digital version of the book is available on the District's [website](#) or for download from Amazon Kindle. Importantly, as part of the "Tip, Toss, Take Action" campaign, the District encourages all residents to tip standing water, toss out unneeded containers, and take action by wearing repellent to prevent the spread of mosquito-borne diseases. Please visit the District's [website](#) for additional information.
