TREES PROPOSED FOR REMOVAL

Number of trees	Common Name/ Latin Name	Trunk Diameter (inches)	Condition

CRITERIA TO BE CONSIDERED BY CITY FOR REMOVAL

Please check any of the boxes below that apply to your tree:

<input type="checkbox"/> The tree proposed for removal is unsuitable to the planting area in that the area is too small to accommodate the height, diameter of trunk or canopy, or root zone of the tree, or excessive trees exist on the site requiring thinning to maintain tree health.	<input type="checkbox"/> Removal of the tree will not have adverse impact on adjacent properties or the general welfare in that its removal will not adversely impact views, public streetscapes, or other aesthetic considerations.
<input type="checkbox"/> The tree is an unsuitable variety for the site in that the species is not a native variety, is not in keeping with the community character of San Juan Capistrano, is of an invasive species, or otherwise conflicts with the intent of this ordinance.	<input type="checkbox"/> Where appropriate, replacement trees have been proposed to maintain the urban forest canopy and the replacement tree are more appropriate to the site and to the planting area.

SITE PLAN WITH TREE LOCATION ON PROPERTY

Attach a site plan to the application that indicates property lines, streets, buildings, driveways, and all trees subject to be considered for removal. Label the tree(s) proposed for removal by indicating the common name, latin name, and diameter. Indicate intended size, location, and species of proposed replacement. Please note that most removals require a replacement.

Describe reason and/or circumstances for the tree removal:

SIGNATURE/ACKNOWLEDGEMENT

I hereby certify that all information contained in this application is true and correct; and that I am the legal property owner or the authorized agent/representative of the property owner. I understand that the City may require that I retain a certified arborist to determine the condition of the tree(s) and preservation alternatives. I hereby grant the City authority to enter onto the property to conduct an inspection of the tree(s), and agree to provide safe access to the property by ensuring that any gates are unlocked, if applicable, and remove any dogs or other pets from the area to be inspected.
